

**Vigor Marine
Outside Machinist
Bremerton, WA
February 9, 2010**

Vigor Industrial LLC is a thriving West Coast provider of innovative industrial services with services that range from ship repair to specialty coatings to water treatment. Our dynamic operations are united by a focus on quality craftsmanship, respect for each individual, and dedication to the task at hand. Vigor Industrial is committed to working in a safe and environmentally-responsible manner. Vigor Industrial facilities are located in Everett, Bremerton and Port Angeles, WA; Portland, OR; and Alameda, CA.

Vigor Marine is one of six companies in the Vigor Industrial family. We are a fast paced, highly successful ship repair company. Our creative, flexible style allows for individual solutions to unique customer needs. We are equally comfortable responding to an emergency repair job as we are executing a multi-year maintenance agreement. With West Coast-wide operations, Vigor Marine's projects range from voyage repair to complex dry-dockings.

We have an immediate opening for a capable and reliable Outside Machinist in Bremerton, WA:

- Must have 2 or more years experience as an outside machinist or ship mechanic in a shipyard environment
- Complies with craft and shipyard safety and environmental measures
- Disassembles various types of equipment and machinery common to maritime vessels and/or general industry including but not limited to pumps, valves, winches, gear boxes
- Assists in determining repairs as required to bring equipment to rebuilt status
- Proficient at setup and operation of engine lathe, knee mills, upright and radial arm drill presses and all other such machining equipment found in an industrial machine shop
- Applies knowledge of materials including but not limited to bronze, brass, steels (mild and heat-treated), stainless steels, monels, plastics, and thermal plastics in fabrication and repairs
- Assists in operation of vertical and horizontal boring mills
- Responsible for the application and care of all standard shop measuring and hand tools
- Demonstrates layout proficiency
- Applies basic machine shop math
- Properly cares for and safely uses hand and power tools and all company property
- Works with other crafts
- Must be able to pass the background check for work on PSNS

Physical Requirements:

- Ability to work at heights of 20 feet or more, small and/or confined spaces, and outdoors in all weather conditions
- Bend, twist, kneel, walk, climb and reach for 1-10 hours per day
- Sit, stand and walk for 1-10 hours per day
- Endure noise, fumes, dust and inclement weather
- Able to lift, carry, push and pull up to 75 lbs. throughout the day
- Able to be fit to a respirator

Email your request for application to recruiter@vigormarine.com or call 503-247-1743 and leave your address for an application to be "snail mailed" to you.

We welcome qualified applicants from diverse backgrounds.
Proud to be a drug free work place, and Equal Opportunity Employer.
